

This week the COVID-19 vaccine bus is at Templar House on Shoot Up Hill in Kilburn. Local GP surgeries, pharmacies and vaccination centres across the borough are also offering walk-in vaccination clinics. Whether you want to book an appointment in advance or turn up on the day, there are plenty of opportunities to get vaccinated. See dates, times and locations below.

These are all free services for anyone aged 18+. You don't need to be registered with a GP or have an NHS number to be vaccinated. You won't be asked for proof of ID, address, or immigration status.

To find out more, visit camden.gov.uk/getting-the-vaccine or to book an appointment at a local vaccination centre, visit nhs.uk/coronavirusvaccine or call **119**. If you're not registered with a GP, complete the form at camden.gov.uk/form. If you need support with booking an appointment, you can also call us on **020 7974 4444 (option 9)**.
